SENATOR WALDRON: Mr. President, members of the Legislature, I move the bill be advanced to E & R for Review. Mr. President, members of the Legislature, this bill is another bill that was brought to me by the Department of Insurance. They felt now that there is many people that are advertising themselves as insurance consultants and they charge a fee for this to advise an individual what type and how much and one thing and another insurance that he should carry. Since this is becoming more popular and these people do not actually sell insurance, the Insurance Department felt that these people should be licensed and regulated by the Department of Insurance. I agreed with them and therefore I introduced the bill for them.

PRESIDENT: Any further discussion now of the bill? Question is, shall LB 411 as amended be advanced from General File to E & R Initial? All those in favor vote aye, all those opposed vote no. Have you all voted? Clerk will record.

CLERK: (Inaudible)

PRESIDENT: Bill is advanced. Brings up for General File debate LB 343, Senator Chambers bill. Senator Carpenter, for what purpose do you rise?

SENATOR CARPENTER: I'd like to move, for example, that LB 547 be placed at the head of General File and give me a minute to explain it.

PRESIDENT: Well, it's been--when do you want to debate it, Senator Carpenter?

SENATOR CARPENTER: Right now.

PRESIDENT: All right, Senator Carpenter's asking unanimous consent to advance LB 5--say it again.

SENATOR CARPENTER: 547.

PRESIDENT: 547 to the head of General File for debate at this time. Are there any objections to advancing 547 up for debate at this time? Any objections? Hearing none, so ordered. Senator Whitney, do you object?

SENATOR WHITNEY: Mr. President, I had a bill that was just ready to be heard at 4:00 yesterday and it pertains to vacation time for state employees and just so I can get that bill up this afternoon, that's all I care.

PRESIDENT: What's the number, Senator Whitney?

SENATOR WHITNEY: 469.

PRESIDENT: 469? All right. Go ahead, Senator Carpenter.

SENATOR CARPENTER: If what I say is not convincing, then I'll ask unanimous consent to put the bill back where it was. LB 547, I hope Senator Marvel will join in this, he may be interested, puts into effect and makes practical the change in the Constitution which allows this Legislature to assume the authority and to spread its contracts over as many years as in their judgment they ought to do it.

PRESIDENT: Senator Carpenter. I'm sorry to interrupt you. But let's read the title to the bill here so we'll know what's before the body. Thank you, sir.

CLERK: Reads title.

SENATOR CARPENTER: The reason I make this request is because
